6. Replacement for Clint Wolthuizen for the ILS Committee
   Scott Sobocinski volunteered to serve on the ILS Committee.
7. **Discussion of Director Search and Transition**
   Jim Trojanowski noted that he met with Board Chair Lori Gunnink and Treasurer Gene Metz and the Executive Committee will meet on March 7 to discuss plans for a director search and transition. Options should include a national search, the Advisory Council members agreed. It was emphasized that the system should take as much time as needed to find a qualified candidate. Trojanowski suggested that the search committee should consist of two library directors, three board members and a Plum Creek Library System staff member. Chair Michele Leining and Governing Board Liaison Kari Ourada were recommended by the Advisory Council for the committee.

8. **Koha Matters**
   a. **Forgot password link message**
      Joel Sasse reported that the password reset function is available and asked what language to include on the message a patron sees when clicking on the link to reset their password. It was agreed that it should read: “your email is not on file, please contact your library”.
   b. **Wireless counts**
      Sasse continues to search for a solution to allow for wireless counts and noted that libraries will need new routers if their web pages are administered by Plum Creek.
   c. **Receipt message about the value of materials borrowed**
      The date due receipts will now print the value of materials a patron has checked out with the following message: You’ve saved “X” at this checkout”. Since value information will be pulled directly from the item record, Sasse recommended that the records are as accurate as possible.

9. **Delivery Postponements and Cancellations**
   When weather conditions require delivery to be canceled, it usually runs on Saturday, which works for some libraries and not others. It was advised that if a library does not want delivery on Saturday then they can call to cancel it by contacting the driver directly.

10. **Digital Collections Discussion**
    Discussion about increasing the budget for digital collections was held. It was suggested that a 1% increase in library contributions be considered for 2021-22, and other funding opportunities be tapped such as Friends groups or other grants. Exploration into other platforms will continue as well as reviewing RB Digital use later this year before its renewal in December.
