This item was tabled until Joel Sasse can provide more information.

9. **KOHA**
Discussion regarding the issue with schools not providing information on the patron registrations was held. It was noted that the schools should abide by the system’s policies and be made aware of the procedures that are in place. The schools and/or teachers should be responsible for returning or replacing materials that are borrowed through interlibrary loan.

10. **LEGACY**
A review of ACHF spending was made and we are track to spend all of SFY 2019 ACHF dollars by the end of the year if the volume of programming continues as it has been since June of this year. It was recommended by Hudson that new programming be postponed until next spring when SFY 2020 ACHF funds can be used.

11. **MEETING FORMAT**
Ideas about enhancing the regular advisory meetings were discussed including offering an occasional time for training and sharing of ideas and possibly bringing in various speakers or trainers for this purpose. It was suggested that those who attended the Minnesota Library Association conference in September report on some of the sessions attended during the November Advisory Council meeting.

12. **ADJOURN**
M/S J. Wacker/D. Aamot to adjourn the meeting at 11:50 a.m.
