3. INTRODUCTIONS

4. MINUTES
M/S D. Aamot/V. Quist to approve the minutes of the May 1, 2019 Advisory Council meeting. Motion carried.

5. LIBRARY UPDATES
6. **ILS COMMITTEE**
   It was suggested by Leininger that the ILS committee continue its work and asked that she be given authority to call for meetings. A decision as to whether to replace member Tam Erickson when she retires at the end of the year will be made at the November Advisory Council meeting.

7. **DIRECTOR SEARCH UPDATE**
   Leininger outlined three options that the Governing Board will be considering for next steps on the Plum Creek director search including 1) hire a headhunter to find a candidate within the area; 2) contract/hire a qualified individual to oversee the office and supervise staff, 10-15 hours per week for 6 to 8 months and then launch a third director search in the spring; 3) locate a qualified candidate in the area with a bachelor’s degree and hire in a Manager position to handle day to day operations, working toward acquiring their MLIS degree – hire an Interim Director to supervise and coach the Manager.

8. **LEGACY**
   Hudson gave several Legacy updates and recommended that contracts with presenters/performers include travel expenses in the fee. This will eliminate the need for separate travel expense vouchers and simplify the accounting process.

9. **KOHA**
   Sasse outlined several new options that are now available with the recent Koha upgrade. It was decided that the option of a “last patron” link being available would be beneficial but no other changes or additions should be made at this time.

10. **Adjourn**
    M/S A. Vogel D./ Berhorst to adjourn the meeting at 11:40 a.m.
