- Trojanowski met with Sanow and discussed updating the Joint Powers Agreement. The last one was made in 2010 and that one not signed by the Marshall Lyon County Library. The last one prior to that was made in 2001. A committee of librarians including: Serena Gutnik (Rock County), Tam Jackson (Jackson County), Marilyn Daub (Wabasso), and Michele Leininger (Marshall Lyon), will work on drafting a new agreement and bring it to the Governing Board for adoption. In addition, State Librarian Jennifer Nelson has been invited to meet with the committee.

7. OLD BUSINESS
7A. Approval of Amended Meeting Schedule
Trojanowski suggested adding a regular Governing Board meeting for the month of August to the schedule since there is a large gap between the June and October meetings. Discussion followed as to whether this is needed and the consensus was that the meeting should be scheduled and can be canceled if there is not sufficient business to conduct.

M/S D. Gravley/T. Ellig to amend the meeting schedule to include a Governing Board meeting on Wednesday, August 17.

There was no further discussion. Motion carried by unanimous vote.

7B. Plum Creek Building
Discussion about the funding requests made of counties for improvements to the building was held. All 9 counties were asked for $.21 per capita for improvements to the building. In addition to the building improvements, increased fund requests for delivery and KOHA costs, outreach service (operating), and the purchase of a new outreach van (capital) were made.

Lincoln, Lyon, Murray, Redwood and Rock counties funded the entire request while Jackson and Pipestone counties did not fund any of the requests. Nobles County funded the entire request contingent upon approval of the other eight counties and Cottonwood County funded it in part.

Commissioner Gene Metz noted that Nobles County has the money set aside but has stipulated that all of the counties fund the request before it can be appropriated. Commissioner Donna Gravley explained that Cottonwood County was reluctant to fund the building request until some sort of plan on what the money is to be spent on could be formulated.

Discussion about seeking a new location for the headquarters was held. Trojanowski reported that Murray County has offered a building in Slayton and he and Sanow have toured it. There would be some considerations with moving the headquarters to Slayton, he said, including delivery issues. He plans on meeting with staff and library directors to determine what other issues might exist.

The board directed Trojanowski to look at the options and come up with a concrete plan to discuss at the April meeting.

8. NEW BUSINESS
8A. Oath of Office
The 2016 Oath of Office was administered to new and existing board members.

8B. Harassment Policy
The revised Harassment Policy was reviewed and discussed. Trojanowski noted that there has been a significant rewrite from the policy previously in place.

M/S E. Schiller/G. Metz to approve the policy with the correction on the signature line to read, “Complainant” rather than "Complaint".

There was no further discussion. Motion carried by unanimous vote.

8C. Patron Registration Policy
A review of the revised Patron Registration policy was made. Kooiman questioned the reason that out of state school students at the Pipestone school may receive a library card at no cost while students at the Hendricks...
school do not qualify for the same allowance. Trojanowski explained that the Pipestone school and library are a unique entity in that they were jointly established. Students who live in South Dakota are part of the Pipestone County tax district and so qualify as residents. Students at schools that are part of KOHA and the Interlibrary Loan System have cards through the school and have access to the system’s services. They cannot use that same card at the public libraries, though.

M/S C. Friese/R. Lipinski to approve the Patron Registration Policy.
Motion carried by unanimous vote, amended as discussed.

8D. Patron Privacy Policy
The Patron Privacy Policy was reviewed and approved.

M/S D. Gravley/C. Albrecht to approve the Patron Privacy Policy

There was no further discussion.
Motion carried by unanimous vote.

8E. Approval of Outreach Agreements
Discussion as to how to distribute the partial increase in funding to Cottonwood County libraries was held. Commissioner Jody Reisch suggested that none of the counties pay until all of them are equally on board. It was suggested that Trojanowski meet again with Cottonwood and Pipestone to determine whether they will increase their funding. The Executive Board can make the decision to approve the contracts at a February meeting if necessary.

M/S G. Sturrock/T. Ellig to approve the Outreach Agreements with Redwood and Murray Counties.

Motion carried by unanimous vote.

8F. Office Administrator Pay Scale
When hired in 2015, the office administrator was placed in between steps 3 and 4 on the pay scale. In order to correct this, the Executive Board recommended that she be moved to the current step 4 of the pay scale.

M/S T. Ellig/G. Metz to move the office administrator to step 4 of the current pay scale.

Motion carried by unanimous vote.

8G. Director’s 6-month Evaluation
As per recommendation from the Executive Board, the director will be removed from probationary status and placed on step 5 of the current pay scale.

M/S D. Ever/D. McNeal to remove the director from probationary status and place him on step 5 of the current pay scale.

8H. Adjust Pay Scale
M/S C. Friese/E. Schiller to authorize the director to update the Fiscal Year 2015-16 pay scale to reflect the $.25 per hour pay increase that was authorized by the Governing Board in June, 2015.
